

2017 Excellence Award Nomination Advocacy: Changing the Game

The Excellence Award in Advocacy recognizes a nonprofit organization whose work has recently (within the past two years) affected significant public policy change through the education and mobilization of constituents, the general public, and/or public policy decision makers.

3. Used effective messaging and tools to engage constituents, the general public, and/or public policy decision makers in a meaningful way throughout the advocacy process
4. Achieved meaningful and measurable outcomes by accomplishing goals
