

2017 Excellence Award Nomination Collaboration: Collective Impact

The Excellence Award in Collaboration recognizes the lead organization that was the catalyst for an effort by two or more nonprofit organizations that partnered to address a compelling problem that could not have been solved as effectively by the individual organization(s).

Please be as specific as possible when completing the nomination and be sure to highlight why the nominee is uniquely qualified for this award. Nominations will effectively convey the following criteria about how the organization(s):

1. Identified a clear and compelling need in the local community/nonprofit sector
2. Identified an approach, and appropriate partners, to respond to the need by working collaboratively
3. Worked with their partner(s) to meet the need by defining roles, effectively allocating combined resources, utilizing efficient communication, and implementing a clear process for accountability
4. Achieved meaningful and measureable outcomes that were made possible through collaborative efforts

Deadline: The deadline for all nominations is **Friday, March 10, 2017.**
